

Dear Parishioners,

Summer – time for vacations, traveling, visiting family and friends. During this time of the year, it is easy to forget about spiritual life. Focus goes on “having fun and a good time”. It seems to me that this kind of attitude is universal. I noticed it during my vacation in Poland.

It was good to visit my family and spend time with my Mom and siblings. It was nice to see old friends whom I have not seen for many years. I met with a friend priest whom I had have not seen for 15 years. All those years we were in contact through letters, later through emails, but we did not see each other for a long time. It is amazing to see how much people change, not in appearance only, but most of all in the way of thinking and understanding what is important in life. Summer time can be much more than “having fun and a good time”. Just think about it in the context of today’s readings.

And summer time keeps our parish busy with maintenance work. The renovation of the rectory, which started last summer, is progressing. I was truly surprised to see how much was done in the two weeks when I was gone to visit my family. From the bottom of my heart, I thank all of you who worked very hard in spite of the temperature and humidity being very high.

There is also progress in the renovation of the organ. Part of it is back in the church and I hope the fully restored instrument will be back before October 2nd.

And we are working on our furnace – we are replacing it. The old one, which served us for many years, is beyond repair. It started to leak badly during last winter. I was really afraid that it would stop working during the winter. Somehow, with minor fixes and the grace of God, it lasted through the end of the cold season. Hopefully, a new furnace will be in place before we will need to heat the church.

Keep our project in your prayers,

Fr. Chris

We pay a dear price trying to possess the biggest, best, fastest, and latest. Satisfaction will never be spelled with LETTERS (SUV, DVD, IRA, and iPod) but rather by the WORD of God in today's gospel: "Be on your guard against all greed." Happiness comes from those we love and who love us and not from gadgets because we are more than consumers.

Wanted!!! R.C.I.A. (Rite of Christian Initiation of Adults) needs you! We are currently looking for individuals wanting to know more about the Catholic faith. They may have questions about the faith, such as:
 * What does the Catholic Church teach? * Why do Catholics believe that? * Why all the rituals and traditions?

Do you know a family member or a friend who has asked these or similar questions? If so, then, maybe RCIA can help. RCIA provides instruction on Catholic beliefs, teachings, rituals, etc. It is not only for those who want to become Catholic but also for anyone who wants to learn more about the Catholic faith. RCIA is not only for non-Catholics. Catholics can enrich their own faith while, at the same time, sharing it with someone inquiring into the faith. You can do this by being a Sponsor (someone who provides support, prayer, and encouragement for the individual Inquirer).

To inquire about the **Catholic faith**, contact Fr. Chris at ckardzis@parishmail.com or call 625-3698. For additional information about becoming a **Team Member or Sponsor**, contact Patty Kessler at pskabo@buckeye-express.com or call 627-0704. RCIA Classes will start on August 19.

The teenagers of Sandusky are stepping up and growing in their faith. Stay tuned at your Sunday Masses to hear more about our Mid-America trip and Life Teen.

UPPER ROOM UPDATE: Throughout this summer SLT has transformed the old library at Holy Angels into a teen center. This space was created to give our Catholic teenagers a safe space to gather in prayer and to have fun. We have made purchases to get the center started, but we are looking for individuals to help us purchase a round table and chairs along with a television, lamps, chairs, bar stools and decorations. We will be placing a wish list in next week's bulletin. Please stay tuned or contact Brittany for more information. Thank you for keeping our teenagers in your prayers!
