Sandusky State Theatre, 107 Columbus Avenue, Sandusky, OH 44870

The annual "Great Hymns of Faith Festival" presents a choral workshop and concert each fall in North Central Ohio that brings together singers from area churches and community choruses to rehearse, perform and share in the experience of faith and spirituality through music. The Festival concludes with a concert that involves hymns, reflections and readings, prayer, and final performance of the Festival Chorus. Perfect for singers of all ages and levels of experiences. This year's festival artistic director/conductor is Michael Shirtz.
